

# How does Google respond to a DMCA Notice?

Please note that a copy of each legal notice we receive is sent to a third-party partner for publication and annotation. As such, your letter will be forwarded to Chilling Effects (<http://www.chillingeffects.org>)

We have received your submitted DMCA notice and are currently reviewing the complaint and will contact you when we have completed processing the request. We appreciate your patience during this process.

Please note that a copy of each legal notice we receive is sent to a third-party partner for publication and annotation. As such, your letter will be forwarded to Chilling Effects (<http://www.chillingeffects.org>) for publication (with your personal information removed). You can see an example of such a publication at <http://www.chillingeffects.org/dmca512/notice.cgi?NoticeID=861>. A link to your published letter will be displayed in Google's search results in place of the removed content.

Regards,  
The Google Team
