

# How does Google respond to a DMCA Notice?

Please note that a copy of each legal notice we receive is sent to a third-party partner for publication and annotation. As such, your letter will be forwarded to Chilling Effects (<http://www.chillingeffects.org>)

We have received your submitted letter regarding the complaint and will contact you when we have completed processing the request. We appreciate your patience during this process.

Please note that a copy of each legal notice we receive is sent to a third-party partner for publication and annotation. As such, your letter will be forwarded to Chilling Effects (<http://www.chillingeffects.org>) for publication (with your personal information removed). You can see an example of such a publication at <http://www.chillingeffects.org/dmca512/notice.cgi?NoticeID=861>. A link to your published letter will be displayed in Google's search results in place of the removed content.
